

MACDEO MEETING

Wednesday, October 11, 2017, 10:00 AM

Attendees:

Bobbi Vannattan - Rosebud
Tenlee Atchison – Cascade

Dusty Olson – Garfield
Gail Cicon - Liberty

Treasurer's Report

Dusty reported a balance of \$4,935.00 in the EO checking account. The current fiscal year for the MACDEO books is from October to end of September which coincides with the state fiscal year. Questions arose as to whether we should really change this fiscal calendar to match the conservation districts, July through June. We will further discuss this at convention.

MACD Fall Convention

Scholarships

Applications were received from the following conservation districts:

Glacier – Tabitha Furnare	Lake – Heidi Fleury
Hill – Bernadine Wolfchild	Little Beaver – Sarafina Claeys
McCone – Emily Heide	Phillips – Jennifer Anderson
Stillwater – Sharon Flementis	Lincoln – Becky Lihme

Motion by Gail to pay newer Administrators \$300 each (names on left column) and older Administrators (right column) \$200 each. We will also pay officers Bobbi and Dusty \$200 each for a total of \$2,400 for convention scholarships. Tenlee seconded the motion. Motion carried.

Discussion about needing to clarify the MACDEO budget ensued. Officers will meet at 11:00 on November 14 prior to MACDEO meeting at convention to work on this so we may present it to the entire MACDEO group at the 1:00 meeting. Location undecided.

The group also discussed the need to make the Employee event profitable.

Old Business

Tenlee is still collecting needed information to finish and submit the Statewide Administrator's Training Grant in order to replenish our MACDEO bank account.

Meeting adjourned 11:10.
